THE JERUSALEM YOUTH CHORUS

جوقة الشبيبة المقدسيّة مكحّلة النّوّار الّيروشالمايّة

In a city often defined by its divisions, **the Jerusalem Youth Chorus (JYC) is singing a different song—one of hope, unity, and shared humanity.** We bring together Israeli and Palestinian youth from East and West Jerusalem in a powerful music and dialogue program that has touched hearts from local neighborhoods to global stages like *America's Got Talent* and *TED*.

Through the co-creation of music and the sharing of stories, our singers form deep bonds that transcend walls, stereotypes, and the pain of conflict. **Even in times of war, our singers continue to show up for one another. Their commitment is unwavering.**

Now, they need yours.

It costs \$15,000 to support one singer for a full year of rehearsals, performances, and professionally facilitated and translated dialogue sessions. With a gift of \$5,000, \$10,000, or \$15,000, you can directly empower a young leader's participation in JYC.

Your support provides:

- Expert training in Eastern and Western music sung in Arabic, Hebrew, and English
- Professional dialogue facilitation and translation that fosters empathy and shared leadership
- Physically and emotionally safe spaces for Israeli and Palestinian teens to come together and build friendships
- Opportunities to perform and share their message of a different way forward on international stages

Join us in investing in peace, justice, and a generation of changemakers.

75% of our operating costs are funded by individuals. As the world remains mired in violence, injustice, and discrimination, JYC's work is needed now more than ever.

What Your Gift Supports

"I've been in the choir for almost three years, and from the very first day I joined, I felt like I was among family. To me, the choir isn't just a place where we sing or rehearse – it's truly a second home in every sense of the word. The people in it have become part of my heart, and each one holds a special place for me.

But the choir isn't just joy and laughter... it taught me how to express my feelings honestly, without hurting those around me.

I've learned how to open up, to share my story, and to truly listen to others' stories with sincerity and respect. It taught me to be real, to be human, to be a voice... and an echo.

From the bottom of my heart, I say: the choir was, and still is, one of the most beautiful experiences of my life. ❤️"
